

Natural Cosmetics Seminar

Monday 12th January 2015

You are invited to attend this **FREE** one day event

Hosted by BEACON in association with WISE and the BBSRC High Value Chemicals from Plants Network

Topics include:

- 
- Industrial biotechnology - sourcing high value bioactive ingredients from plants
 - Legislation and regulations governing cosmetics
 - Natural replacements for petrochemical ingredients
 - Sustainable business practices

Speakers Include...

Cathie Martin

John Innes Centre and Persephone Bio Ltd

Olivia Santoni

Cosmetic Toiletry & Perfume Association

Elaine Eggington

IP Pragmatics

Bernice Ridley

Croda Europe

Following a series of presentations from scientists and industry experts there will be a discussion and networking session with opportunities to ask questions

The free seminar will appeal to industry professionals, micro businesses, start-up companies, SME's and larger corporations, as well as academic scientists and researchers interested in natural products within the health, nutrition, skin care, and beauty sectors. The event provides a unique environment for industry and academia to network, share knowledge and establish research collaborations with the view to apply for a [HVCfP Network Business Interaction Voucher] and the prospect of wider collaborative opportunities.

Date: 12th January 2015

Time: 09:00—16:30

Refreshments will be provided. Parking available

Enquiries: Kirstie Jones (01970) 823156

Venue:

Neuadd Reichel, Bangor University

R.S.V.P: Monday 5th January 2015

For more information please contact Kirstie Jones via kij6@aber.ac.uk
